Make Mail Address Changes

In January, 510th Postal Company began to realign the mail distribution system in Stuttgart. This initiative required some box holders and community organizations to receive new addresses, effective April 1. The new system is designed to create a clear distinction between personal and official mail. Personal mail should only be routed through the community mail rooms, while official mail should be addressed to the appropriate official channel (i.e. EUCOM Official Mailroom, the Official Mail Distribution Center at Kelly).

Although some customers have begun changing their addresses, there are many who have not. It is important to realize mail will only be forwarded for up to one year or until April 1, 2002. Customers should ensure their address is properly updated as soon as possible by filling out a DA Form 3955,

"Change of Address Card", at their local community mail room. For complete info on how your address should look, go to the Web site www.stuttgart.army.mil/weeklyupdates/bulletin.htm For details call Lt. Golden at 421-4149/civ. 0711-729 4149.
